1. Each person charged with taxes for the year 1914 on the tax duplicate of Medina County is required by law to pay one-half of said tax on or before the 20th day of December, 1914, and the remaining half on or before the 20th day of June following, but may at his option pay the full amount of such taxes on or before the 20th day of December, 1914, and when not so paid penalty attaches.

2. Real estate on which any portion of the taxes for 1913 remains unpaid will be sold on the second Tuesday in February, 1915, unless the taxes are paid before that date for such unpaid portions, and the entire taxes unpaid for 1913. Taxes delinquent from last June should be paid on or before December 20th, to avoid property being advertised for sale.

Property stands charged on the County Treasurer's books in the name of owner on Feb. 1st, 1914, and the duplicate delivered to the Treasurer in the fall remains unchanged for one year.

Bring or send your last tax receipts or complete list of your property. This will be a help to us and avoid errors.

When writing for statement, remitting for taxes, stamped envelope should accompany request, and property must be clearly designated as to ownership, location and township.

## SPECIAL NOTICE

Tax payers are also notified that the treasurer will not be held responsible for any money deposited with outside parties for payment of taxes until placed in the hands of the treasurer when his receipts will be given for the same.

When you pay your taxes, be sure you pay on all your property, as this is your business and not the business of the treasurer.

The school levy given opposite each township applies to all the property of the township school district including the attached territory of other civil townships.

\*Includes additional levy authorized by vote of the people.

Office hours: 8:00 a. m. to 4:00 p. m. Sundays and Holidays Excepted Saturdays close at noon.
